

KinderSmart – Parent/Sponsor Login

Upon arrival at the Provider, a Parent/Sponsor needs to scan the QR Code to login to KinderSmart and check the children In and Out.

- A** Open the KinderSmart app on your phone. Note that the phone must be already registered with your Provider.

- B** Tap **Scan** and either scan the QR Code on the computer screen or scan it on a print out of the QR code. To scan, move the QR code into the view of the phone camera so that it can be seen on the phone screen. As soon as the whole QR code is visible to the phone camera, the phone scans the QR code automatically.

Please scan the barcode to sign in children.

- C** After a successful login scan, KinderSmart will display the list of children assigned to this Parent/Sponsor.
