

KinderConnect – KinderBridge (API)/CCMS Submitting Attendance

All attendance will be submitted automatically to the state **7 days after the 2-week service period** has ended.

Providers using their CCMS should review attendance for corrections *before* exporting to KinderConnect.

The service period is **Monday through Sunday**. For example, the service period from the 2nd to the 15th will be automatically submitted on the 22nd.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30	31				

Diagram illustrating the 2-week service period and attendance submission date:

- The service period is highlighted in yellow, spanning from Monday, the 2nd to Sunday, the 15th.
- The text "Two Week Service Period" is centered over the yellow bar.
- A red box highlights the date 22nd, labeled "Attendance Submitted".
- Yellow arrows indicate the service period and the submission date.

All attendance should be exported to KinderConnect *before* the attendance submit date for each service period. **The system will process all attendance regardless of status (ex. missing, incomplete or invalid).**

Once submitted, the attendance detail will change that week's background to green.
